SKILLS

Tools & Visualization: Power BI, Tableau, Excel
Programming: Python, C++, Java, C
Python Libraries: Pandas, NumPy, Matplotlib, Seaborn
Databases: SQL
Core Skills: Data Analysis, Data Cleaning, DSA, Problem Solving
Soft Skills: Communication, Teamwork, Analytical Thinking

PROJECTS

Flipkart Fake Review Detection System | *Python, Pandas* Oct' 25

- Built an end-to-end Python pipeline to clean Flipkart review data and identify suspicious/fake reviews using rule-based analysis.
- Performed deep text cleaning to remove noise, merge fields, standardize product names, and prepare analysis-ready data.
- Designed logical fraud indicators to classify reviews as genuine or likely fake, improving data quality and integrity.

Electric Vehicle Dashboard | *Power BI* Oct' 25

- Developed an intuitive multi-page dashboard highlighting electric vehicle usage, types, registrations, and customer demographics for quick insights.
- Applied dynamic slicers, drill - downs, and KPI indicators to provide interactive data exploration with decision-oriented visuals.
- Showcased adoption trends and geographic distribution patterns to support real-world EV market analysis.

Desktop & Device Performance Analytics Dashboard | *Power BI* Oct' 25

- Created multiple dashboards evaluating CPU, GPU, storage, and display performance metrics for desktops and laptops in a comparative view.
- Analyzed processor tiering, VRAM, storage type, refresh rate etc. for performance scoring.
- Delivered user-centric segmentation to support hardware purchase recommendations and performance benchmarking.

TRAINING

Community Development Program May' 24 - Jul' 24

- Participated in community cleaning drives, reinforcing teamwork and leadership skills in public welfare projects.
- Coordinated awareness messaging to motivate residents towards active involvement in environmental protection.

CERTIFICATES & CERTIFICATIONS

Data Science with Excel, Tableau & R programming CSE Pathshala	July' 25
Mastering in C: Basic to Beyond CSE Pathshala	Mar' 24
Software Development Processes and Methodologies Coursera	Mar' 24
NPTEL Online Certifications in Cloud Computing NPTEL	Oct' 25

EDUCATION

Bachelor of Technology – Computer Science & Engineering Lovely Professional University CGPA: 7.33	Phagwara, Punjab Aug' 23 – Present
Intermediate - PCM Open Minds A Birla School, Patna Percentage: 67%	Patna, Bihar Mar' 21 – May' 22
Matriculation Open Minds A Birla School, Patna Percentage: 80%	Patna, Bihar Mar' 19 – May' 20
